REFERENCE LETTER FOR
Dr. KHALED A. ABBAS
Professor at Urban & Regional Planning

This statement is written upon the request of Prof. Khaled A. Abbas who has worked - since January 2002- as an Associate Professor then as a Professor at the Department of Urban and Regional Planning, College of Architecture and Planning, King Faisal University, Dammam, Saudi Arabia. Prof. Khaled took a special leave of absence as of September 2005 and eventually resigned from his post as of November 2005. The college regretted his resignation as he was a dedicated, hard working and loving personality.

Prof. Abbas exerted exceptional efforts in the Department of Urban and Regional Planning as well as in the College of Architecture and Planning. Such efforts were exemplified in his teaching, research and community services. Dr. Khaled is excellent in his profession with high ethical values and cooperation with fellow colleagues. He is dedicated to his work. He carefully looks after his students and tried his best to develop their potentials and skills, leading them into achievements. Dr. Abbas was very keen to deliver to his students the state of the art knowledge. He was highly admired by his students and colleagues setting an excellent example for them to follow and pursue. Dr. Abbas possesses great administrative potentials and ability to deal with changes. Due to his innovative thinking that assisted in developing and enhancing academic and committee work at the department and college, Dr. Khaled is highly appreciated by me, his colleagues and students.

Dr. Khaled has very strong competitive potentials. The department values his representing our college in world known events, international conferences and local seminars. I consider that Dr. Abbas publications during his time with the department are evident of his excellence, dedication and willingness to achieve the best for himself and his department.

I have always found Dr. Abbas to be a professional of high calibre and excellence. He is a proficient and extremely enthusiastic about his work. He is a pleasant, friendly and thoughtful person. Based on my close contact with Dr. Khaled Abbas, I am certain that he will do very well in his life and future career. I do recommend him with no hesitation as an extremely valuable employer to any reputable organization.
